Transaction terms: Incoterms 2010 Rules.

Dates: This invoice date represents the date of cargo pickup from Seller's facility.

On domestic sales: Transfer of both title and risk shall occur upon pickup from the seller's site.

On international sales: Transfer of both title and risk of loss shall occur upon entry into international waters, international airspace, or the crossing of an international border, with the sole exception of banked transactions (L/C, DAA, DAP) in which case the transfer of title occurs upon exchange of documents at the bank window, and the transfer of risk of loss occurs upon entry into international water, international airspace, or the crossing of an international border.

Marine Insurance: The party responsible for paying the main transportation shall provide full cargo insurance coverage - defined as door-to-door, "A" cover, all risk, marine, war, strike and riot - regardless of the shipping terms, with the exception of CFR/CPT Incoterms, in which insurance is the buyer's responsibility. Therefore, on E and F terms, plus CFR and CPT, the buyer shall provide full cargo insurance coverage, and on D terms, plus CIF and CIP, the seller shall provide full cargo insurance coverage.

For destinations and/or cargo on which governmental or insurance restrictions require additional approvals and/or premiums, or a split in coverage other than house-to-house, the responsible party/parties shall take such additional measures to ensure that the shipment is appropriately covered.

U.S. Export Controls: If intended for export, all goods and technology are exported in accordance with the Export Administration Regulations of the United States. Diversion contrary to U.S. law is prohibited.
